

BETTER BUILT  
STRONGER BUILT  
PANEL BUILT

All Panel Built prefab stairs, metal stairs, metal railing and components are engineered, fabricated and powder coated at our plant for a lasting finish and fast delivery. Each metal stair system is manufactured to your specification allowing for various sizes, heights and specialty metal hand rail that meets OSHA and IBC codes.

# Ladders And Stair Systems

✓ Featuring solid steel construction and a powder coat finish, Panel Built cage ladders are engineered to meet OSHA specifications. Ladders feature a flared entry for easy access and include a steel base mounting bracket.

✓ Standard Stair Options:

- IBC or OSHA
- Grip- Strut grating or concrete treads
- Galvanized steel
- Extra wide treads
- Picket railings
- Lexan/ Plexi-glass railings

✓ Custom Options are also available including mobile stair systems, alternating treads, and multiple landing options.
